Internship Program in Spain

Dear school coordinator,

I hope you are well and that this message finds you in good health. At Animafest, we believe in providing students with international experiences. Our goal is to help them develop essential skills and acquire practical knowledge that will serve as a solid foundation for their future careers. We are currently pleased to announce internship opportunities in various sectors in Spain, ranging from the hospitality industry to marketing.

Our internships offer a unique opportunity to discover Spain, a country rich in culture. These internships are customized to meet the specific needs and interests of each student, whether they are interested in :

- restaurant and bar
- cooking
- entertainment
- reception
- customer service

- human resources
- marketing
- administrative sectors

All the students can apply for Erasmus grant, and the documents will be signed by the companies. Thanks to this they will receive additional founding support

Thanks to our solid network in various Spanish sectors, we guarantee our interns an enriching and relevant experience. We are committed to their success, from helping them preparing all the documents to finding an internship, guiding them every step of the way.

To apply, your students need to create an account on **our website**. They can also contact us by WhatsApp on **+34 697 184 146** to schedule a brief interview to better understand their interests and qualifications.

As a company committed to the internationalisation of internships, we really believe that this experience is essential in preparing students for a successful international career. We would be delighted to work with your school to offer your students this internship opportunity in Spain.

Please do not hesitate to contact us for more information.

We would like to invite coordinators with students for a video meeting to talk about opportunities for the students. The meeting will occur with CEO of Animafest Santy Matamala

You can book an appointment **with the link**

Thank you for your attention.

Kind regards,
Animafest.

Santy Matamala
